Supercharged Friends

The *Worlds of Fantasy* adventure begins when Mickey and Minnie take off to see some of the places in their favorite stories. But when their roadster breaks down, they're stuck! As they hurry to find help, the friendliest road crew ever races to the rescue. It's Lightning, Mater and their friends from *Cars*. They're fueled by friendship because they know all about pals helping pals.

Friendly 'ole Mater gets the little roadster rolling again. He's supercharged at helping others and making them happy. That's why he's such a good friend. Are you a good friend, too?

Write about five things you can do to be a good friend.

1. _____
2. _____
3. _____
4. _____
5. _____

Find a car in the classified ads that you would cast in a *Cars* movie. Give it a fun name and list its characteristics. Is it funny? Friendly? Fast? Old? Young? After you write your list, write a complete description of your car.

DREAMING UNDER THE SEA

Now travel to a shimmering fantasy world under the sea, where Ariel, from *The Little Mermaid*, sings and dreams. She wants to be "where the people are," and with help from her friends, Sebastian and Flounder, plus the magic of her own courage and determination, Ariel makes her dream come true.

Everyone has dreams. What are yours? Think of the most wonderful dream you can. Dream big!

Draw your dream in this space. Then write three things you can do to make it come true.

It's fun to be a toy! Buzz Lightyear, Woody and all the other toys love it when Andy plays with them. But when he's not around, they have some pretty amazing adventures on their own. Can you imagine what your toys would do if they came to life when you weren't playing with them? Would they be good friends like Woody and Buzz?

DARE TO DRAW

Draw a picture of your favorite toys having an adventure together.

Write a story to go with your picture.

Look online or in the newspaper ads for a picture of a toy. Imagine it coming to life and write about it. What kind of voice would it have? Would it be silly like Rex or brave like Buzz?
