

## TUESDAY, DECEMBER 30 @ 3PM and 7:30PM

Trans-Siberian Orchestra (TSO) will wrap up 2014 by performing their rock opera The Christmas Attic live for two spectacular shows at the Xcel Energy Center on Tuesday, December 30, 2014 at 3 p.m. and 7:30 p.m.

TSO's rock opera The Christmas Attic will be re-released to coincide with the tour. The album's (and stage production's) narrative begins on Christmas Eve, when a young girl's curiosity leads her to a night of mischief and magic. She decides to sneak up into the attic of her parents' home while she should be asleep and there discovers a magical doorway to the past in the form of a mysterious trunk filled with ornaments, toys, old records and bundles of handwritten letters. A startling discovery in one of the letters leads to an unlikely adventure.
