The U.S. Figure Skating Championships are held annually to crown U.S. Champions in ladies, men's, pairs, and ice dancing events in each of five levels: senior, junior, novice, intermediate and juvenile.

An All-Event Ticket Package provides you an assigned seat to all senior, junior and novice level competitions at Xcel Energy Center. All-Event Ticket Packages include general admission to specified practices at Xcel Energy Center and general admission to intermediate and juvenile competitions at the secondary venue.

Practice passes are not sold outside of All-Event Ticket Packages. Please note that All-Event Ticket Packages do not include a ticket to the 2016 Skating Spectacular. 2016 Skating Spectacular tickets will go on sale at a later date and All-Event Ticket Package holders will receive priority notification prior to the general public.

At this time, you are making a reservation for an All-Event Ticket Package. You may note on your order form your preferred section or area of the arena. Seats will be assigned based on priority of when the order was received, and requests will be accommodated based on this priority. We cannot guarantee specific seating arrangements, however, we will take the special requests into account during the seat assignment process.

The Official Schedule of Events will be posted as soon as it is made available from U.S. Figure Skating. A list of frequently asked questions can be found at 2016uschampionships.com.
